INTRODUCING

# SORENO + ARCANA

For over 40 years, Unilock has led the landscape industry with the best selection of manufactured hardscape products.

Unilock is now pleased to introduce two **NEW LARGE-FORMAT SLABS** that are suitable for on-grade pedestrian or roof deck pedestal applications. Available in two beautiful finishes, each unit has tight dimensional tolerances ensuring ease of precise installation on your projects.

**SORENO** features a flamed-like texture made of fine-grained, natural stone grit for a surefooted surface that is smooth and elegant in appearance.

**ARCANA** has a fine blasted texture of natural stone chips in subtle color tones creating an extremely durable surface, ideal for high traffic pedestrian areas.

These unique large-format slabs make it easier than ever to design beautiful outdoor spaces.

# SORENO

FLAMED  
TEXTURE

**ENDURACOLOR™**  
**PLUS** ARCHITECTURAL FINISHES

Soreno has a sleek, modern look with a fine stone structure that discretely highlights the natural character in every slab. With EasyClean Stain Resistance, and a variety of large format shapes, Soreno slabs are on trend with today's elegant and generous designs.

#### **EASYSLEAK™ STAIN RESISTANCE**

An integral surface protection that allows for easier cleanup of spills when they happen, before a stain can develop.

# ARCANA

FINE BLASTED  
TEXTURE

**ENDURACOLOR**  
**PLUS** ARCHITECTURAL FINISHES

Granite, quartz and marble are exposed in the fine blasted surface of Arcana to deliver brilliant color and a non-slip surface that is perfect for private and public spaces. Its silky matte appearance is further enhanced with EasyClean Stain Resistance for easier cleanup of spills.

**EASYSURFACE™ STAIN RESISTANCE**

An integral surface protection that allows for easier cleanup of spills when they happen, before a stain can develop.
