

IL CAMPO[®]

ARCHITECTURAL COLLECTION - PAVERS & SLABS

Created with technology exclusive to Unilock, the etched lines on the surface of Il Campo create a richly detailed and visually striking texture suitable for any application. These brushed lines enhance slip-resistance, making Il Campo ideal for plazas, walkways, and other high-traffic outdoor areas. Combining long-lasting durability with a contemporary architectural aesthetic, these pavers deliver both functional performance and exceptional visual appeal.
