

SKYVIEW™

LOW-PROFILE WAFFLES

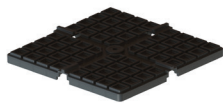

SkyView Low-Profile Waffles are an alternative to standard SkyView Pedestals when minimal elevation is needed. Elevating surfaces from a 1/2 inch to 2 1/2 inches, they provide a compact, durable solution ideal for tight spaces or areas with limited height clearance. Their distinctive waffle pattern enhances structural integrity when multiple units are stacked, by providing an interlocked connection that prevents lateral movement.

- ✓ Stackable heights from 1/2" to 2 1/2"
- ✓ Resistant to water, mold, and freeze/thaw cycles
- ✓ Large footprint to provide stability
- ✓ Consistent slab alignment with 3/16" spacer tabs
- ✓ Miami-Dade County & Florida Product Approval Pending
- ✓ Manufactured from 90% recycled polypropylene

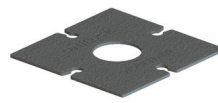

COMPONENTS

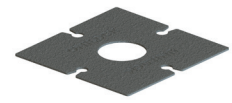

1/2" WAFFLE
L: 7", W: 7", H: 0.5"
L: 177.8, W: 177.8, H: 12.7mm

1" WAFFLE
L: 7", W: 7", H: 1"
L: 177.8, W: 177.8, H: 25.4mm

1/8" TOP PAD (optional)
L: 6.5", W: 6.5", H: 0.13"
L: 165.1, W: 165.1, H: 3.3mm

1/16" TOP PAD (optional)
L: 6.5", W: 6.5", H: 0.06"
L: 165.1, W: 165.1, H: 1.6mm

L: Length, W: Width, H: Height

Height measurement for 1/2" Waffle and 1" Waffle do not include the height of the spacer tabs.
